Commuter Benefits Mass Transit Guide

Commuter Benefits are designed to save you money on the costs of commuting to and from work. The Mass Transit Plan allows you to save on up to 40% on your commuting costs.

Enroll in the Mass Transit Plan and Save

A Mass Transit account allows you to put aside money to pay for eligible transit expenses you purchase to commute to and from work. The funds going into your transit account are tax free, which saves you money on services you already purchase.

Use your Chard Snyder Benefit Card to pay for passes, tokens, fare cards, or vouchers that allow you to use a mass transit system such as the bus, train, subway, ferry or trolley.

You'll never need to file a claim for transit and you'll **save up to 40%** on your commuting costs.

Mass Transit Eligible Expenses

The IRS determines what expenses are eligible for purchase with Mass Transit plan funds. The chart below shows examples of eligible expenses:

Eligible Expenses

Bus	Ferry	Subway
Trolley	Commuter Train	Van Pools*

Please Note: EZ Passes, tolls, taxis, and car services such as Uber and Lyft are not considered eligible expenses under the Commuter Benefits Mass Transit Plan.

*Van Pools

A van pool requires:

- A vehicle seating six or more adult passengers
- 80% of the van's mileage use must be commuting to and from work
- Passengers occupy at least 50% of the vehicle's seats

Join an existing van pool through your local RideShare organization.

How Do Commuter Benefits Work?

Decide the pre-tax amount you would like to contribute to your Chard Snyder Mass Transit account monthly, per IRS limits. Once deducted from your paycheck, the funds will be available to you to spend on eligible transit expenses.

The Chard Snyder Benefit Card

Use your Chard Snyder Benefit Card for a simple way to pay your mass transit or vanpool expenses. Your payment comes right out of your account.

How Do I Access My Mass Transit Funds?

The Chard Snyder Benefit Card provides an easy, convenient way to pay for commuter services at the time of purchase. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the Mass Transit plan.

You may only use the amount of money in your Commuter Benefits account at the time you use your benefit card or submit a claim.

If your commuting needs change, your employer's Human Resources department can help you enroll, change, or stop your Commuter Benefits deduction according to your plan rules.

You Will Receive Two Cards in the Mail

Both cards will show your name. Family members are not eligible to use the Commuter Benefits plans.

If you have a Flexible Spending Account (FSA), Health Reimbursement Arrangement (HRA) or Health Savings Account (HSA) through Chard Snyder, all your plans are available using the same benefit card. Have your spouse or other family member sign the second card for use with those plans. The family member signing the card becomes the official user of that card.

Activating Your Card

Call the toll-free number on the sticker on the front of your card or visit our website to activate your cards. You can use both cards once the first card is activated – you do not need to activate each of them.

Keep Your Benefit Card From Year to Year

There is an expiration date shown on the front of your benefit card. Keep your card, even after you have emptied your account for the current year. When you enroll next year you may begin to use it to draw on the new balance. You can even skip a plan year and the card will work when you re-enroll unless it has expired.

If Your Card is Lost or Stolen

Use your Chard Snyder online account, use the CS Benefits Accounts Mobile App, or call Chard Snyder directly at 800-284-8412 to report a card lost or stolen as soon as you realize it is missing. We will cancel your current cards and issue replacement cards.

Mobile Wallet Contactless Payments

Add your Chard Snyder Benefit Card to your mobile wallet for fast and secure payments:

1. Open the mobile wallet option on your mobile device
2. Select *Add a New Debit or Credit Card*
3. Add your benefit card by taking a photo or entering card info
4. Complete authentication process

Once successfully added, you can use your mobile device to purchase Commuter Benefits eligible items by tapping your phone on the card reader.

Did You Know?

The IRS requires proof that your card was used for eligible expenses.

No Worries!

The Chard Snyder Benefit Card allows many items and services to be **automatically** proven.

You may use your card until the expiration date shown on the front. You will receive new cards just before your current card expires.

Using Your Chard Snyder Benefit Card

Use your Chard Snyder Benefit Card to pay for your mass transit or vanpool expenses. It's easy and it keeps your cash in your pocket.

Use Your Chard Snyder Benefit Card to Purchase Transit Passes

The IRS requires that you use the benefit card to purchase mass transit passes. You may purchase passes at transit vendor locations such as farepass kiosks, transit authority ticket offices or online. You may not use your card to purchase transit passes at locations such as grocery stores, drug stores or convenience stores.

If your transit system allows you to 'link' a credit card to a reloadable mass transit card, you may do so with the benefit card.

You May Add a PIN to Your Chard Snyder Benefit Card

You may choose to use your card by swiping it and providing a signature or through the use of a four-digit Personal Identification Number (PIN) at the point of sale.

The use of a PIN is not required to access your funds through the card. Even if you choose to add a PIN and forget it, you may choose Credit on the keypad and sign for the charge.

To use your optional PIN number, choose Debit on the keypad and enter your PIN when requested.

Call (866) 898-9795 to set up a PIN for your Chard Snyder Benefit Card

Chard Snyder cannot change or provide a lost PIN number. You must call the phone number provided above for those services.

Eligible Expenses

Use your Commuter Benefits money to pay for a variety of expenses, but keep in mind the IRS has specific rules about which expenses are eligible.

Transit Fares

Bus, trolley, ferry, commuter train, subway

Vanpooling

A vanpool requires:

- A vehicle seating six or more adult passengers
- Most trips to carry at least one-half of the adult passenger capacity of the vehicle
- Eighty percent of the van's mileage use must be for commuting

Join an existing vanpool through your local RideShare organization.

Commuter Benefits Changes to Your Plan

Everyone's life changes now and then. When it does, make sure to change your Commuter Benefit to fit your new situation.

Change the Amount You Set Aside For Your Commuter Benefits

You may change the amount of money you decide to have deducted for your Transit plan as needed.

You must notify your employer within the time span your plan requires. Your company's Human Resources department will help you complete any paperwork required to make your change.

What Happens When You Leave Your Job or Become Ineligible for the Benefit?

If you leave your current place of employment or become ineligible for the plan, you may still have a certain period of time (called a runout period) to submit claims for parking services purchased before you became ineligible. Call Chard Snyder or ask your Human Resources department for the period of time allowed for these claims under your plan's rules.

Any money remaining in your account at the end of your runout period is lost.

A Few Things to Keep in Mind About Commuter Benefits

- You can only spend the IRS maximum each month
- Family members are not eligible to use Commuter Benefits plans

What Happens During a Leave of Absence?

Sometimes we need to "take a break" from our jobs, because of our own or a family member's illness, because we've been called up for a tour of duty with the military, or some other reason. How it will affect your Commuter Benefit depends on the reason and expected length of time for your leave of absence.

Contact your Human Resources department for information on leaves of absence.
