

# How To File A Claim

File claims on the mobile app or online. It's easy and you will receive the fastest service and reimbursement of your claims.

Whichever method you use to submit our claim, make sure you include an EOB, itemized bill, receipt, or invoice that shows the following details:

- Date of service (must be during the plan year)
- Provider's name
- Name of person receiving the service
- Amount you must pay after insurance has paid their portion
- Description of service or product purchased

If you don't have an itemized receipt, contact the provider or your insurance company and request an EOB or a copy of the receipt.

If you request reimbursement by check and your approved payment is less than \$25, we will wait to send reimbursement until we receive additional claims that make your total reimbursement amount at least \$25. If we don't receive any additional claims, we will send your reimbursement at the end of your plan's runout period. There is no minimum amount required for reimbursement by direct deposit.
